APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, manner and place of use of the waters of the Truckee River as decreed under Claim No. 641 Truckee River final decree is issued under the terms and conditions imposed under said decree, under the agreement dated May 31, 1957 between the permittee and the Truckee Carson Irrigation District and with the understanding that no other rights on the source will be affected by the change proposed herein.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed ^{c.f.s.} 5.828/or 699.3 acre-feet per annum.

Actual construction work shall begin on or before January 24, 1958.

Proof of commencement of work shall be filed before February 24, 1958.

Work must be prosecuted with reasonable diligence and be completed on or before January 24, 1959.

Proof of completion of work shall be filed before February 24, 1959.

Application of water to beneficial use shall be made on or before January 24, 1960. Proof of the application of water to beneficial use must be filed with State Engineer on or before February 24, 1960.

WITNESS MY HAND AND SEAL this 24th day
of July 1957.

Edmund A. Mitts
State Engineer.
